MAILING CERTIFICATE	
I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, Virginia 22313-1450 on the date shown below.	
 Charles A. Brill	24 Oct 2003 Date

Sir:

Applicants petition the Assistant Commissioner to revive the above-identified patent application. Although a Notice of Abandonment has not been received, our records indicate this application became unintentionally abandoned on 23 October 2003 for failure to respond to an *Office Action* mailed on 23 April 2003.

The failure to respond was due to a docketing error. The *Office Action* was received and entered into a computer database, but evidently was deleted from the task list without a response being filed.

A response to the *Office Action*, consisting of a *Notice of Appeal*, is enclosed along with authorization to charge the fees in support of the response.

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.
